FOR IMPROVEMENT AND REFURBISHMENT

Enjoying an idyllic position next to the beautiful ancient Parish church in the heart of the sought-after village of Wittersham, this five bedroom Grade II Listed cottage with two attic rooms, now in need of modernisation, offers enormous scope for improvement and when finished, would make a very special home.

Originally two cottages with later additions, it exudes character and warmth and has indeed been a much loved home by the same family for many years.

With its charming exterior, its beautiful cottage gardens at the back and its wonderful views over the church yard next door, it has the feel of a slower paced by-gone era. In fact, you almost expect Miss Marple to be standing in the front garden pruning the roses! But never fear, the Cinque Port towns of Tenterden and Rye are only 6 miles away in different directions for those who need to still feel connected to the 21st Century. Viewing is highly recommended to appreciate all that this lovely property has to offer
